Desktop & Desk-Mounted Screens

Lightweight Desktop Separation Screen

Made from easily disinfected corrugated plastic, this lightweight, corrugated plastic screen provides three-sided privacy for the user on fixed or height-adjustable table surfaces. Attaches with dual-sided, damage-free adhesive. Adjusts in width 42" – 72". Available in 24" and 30" heights.

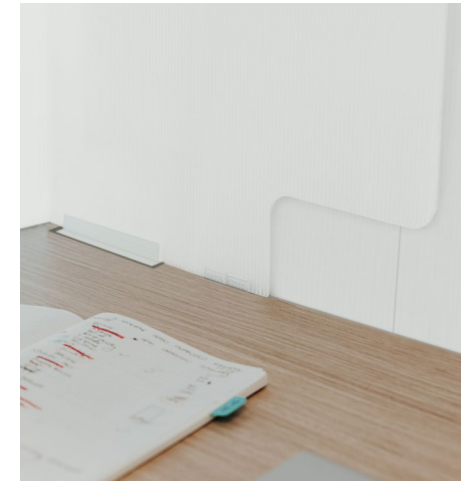

Lightweight Desktop Separation Screen Expanded

Affordable solution for new or existing benching, as well as fixed and height-adjustable tables

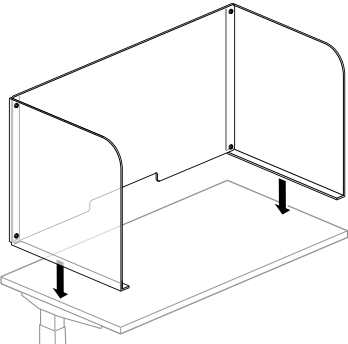

Cutouts accommodate cords and select monitor arms

Adjustable 42" – 72" wide

Acrylic Desktop Separation Screen

Made from easily disinfected acrylic plastic, this durable acrylic desktop screen provides three-sided privacy and can be placed on fixed or height-adjustable surfaces. Sits securely on desktop with anti-slip, damage-free rubber bumpers. Available in an assortment of sizes to accommodate a variety of workspaces. Translucent finish only.

Acrylic Desktop Separation Screen

Universal solution for new or existing benching, as well as fixed and height-adjustable tables

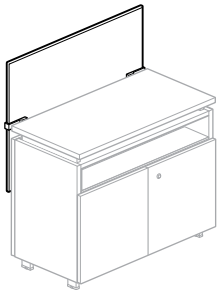

Rests securely on surface with rubber bumpers

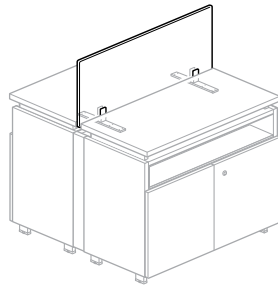

Cutouts accommodate cords and select monitor arms

Belong™ Desk-Mounted Screens

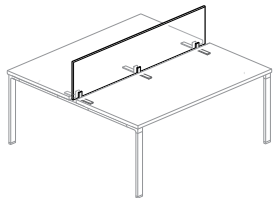

Available in cleanable and easily disinfected glass, laminate, veneer, and fabric choices, these back and center screens attach via brackets to most fixed and height-adjustable worksurfaces. Offered in a range of heights and widths for a variety of applications.
