Surface Material Discontinuances New and Historical

Updated 1/23/2024

The following list documents surface materials Alert and Discontinuance announcement dates as well as Final Order Entry dates. Materials placed On Alert remain available, however, due to declining volumes the material is under consideration for future discontinuance. Please use this list to transition customers to a new option. Discontinued materials: Due to the manufacturing methods of some surface materials, stock may not always be available after the Final Order Entry date.
